

Cover Letter

Respected Sir,

As I have received Call letter from ABC for JAVA and Testing for “UDHYOG UTSAV”, I am Applying to your Company for Software Developer.

I believe that my qualification in software Development makes me an ideal candidate for your vacancy.

I am confident that I can make a significant contribution to your company by providing my software development skills to your company and its clients. As a developer I feel that my greatest strengths are being able to write and code individual programmes from specific requirements, investigate and analyse reported defects and also an ability to perform under pressure.

I believe that I can be a great asset to your company and I am very much grateful for the opportunity of an interview.

Please find enclosed with this letter my Resume for your consideration. In closing I thank you for your time and I look forward to hearing from you.

Yours sincerely,
Mehul Thakkar
